

2017 GUIDE TO SUMMER TRANSITION PROGRAMS FOR INCOMING
NINTH GRADERS IN PORTLAND & MULTNOMAH COUNTY

NINTH GRADE COUNTS

Ninth Grade Counts is a network of summer transition programs for incoming ninth graders. Since 2009, Ninth Grade Counts has brought together non-profit organizations, schools, and other partners to connect more youth with the supports that they need to stay on track to graduate from high school.

all hands raised

Education, Equity and Excellence
from Cradle to Career

With an acute focus on racial equity, **All Hands Raised** brings together practitioners and leaders from education, business, government and nonprofit organizations to ensure the success of every child in Multnomah County, from cradle to career. To do this, All Hands Raised delivers in-kind support to our six school districts and community partners to help teams identify tangible practices that create measurable improvements for our community's more than 220,000 children, youth, and young adults.

Thank you to the AmeriCorps VISTA service members supporting Ninth Grade Counts summer transition programs.

Critical funding for this work is provided by **usbank**.
