

Aligned Action

All Hands Raised delivers over \$1.5 million of in-kind support to our six school districts and community partners to help teams identify tangible practices that create measurable improvements. The alignment we build daily is making a positive impact on children, youth and young adults.

System Impact

All Hands Raised is working from the ground up to drive systemic change.

Site Impact

All Hands Raised is partnering with school community sites across Multnomah County to help teams identify, measure, and elevate practices that work.

Racial Educational Equity

100%

Of our six partner school district boards passed equity policies with support from the Coalition of Communities of Color and All Hands Raised, ensuring racial equity remains a top priority.

38%

Reduction in the number of behavior referrals for African-American students at Reynolds Middle School over one year.

Kindergarten Transition

14
POINT

Increase in the rate of on-time kindergarten registration in Multnomah County over the past four years.

1

Common assessment tool shared between Albina Head Start and Boise-Eliot/Humboldt PK-8, aimed at improving kindergarten transition and success.

K-12 Attendance

5

Core practices leading to improved attendance identified by six schools that partnered with All Hands Raised.

3

Key systems—mental health, housing, and social services—are integrating into the attendance team to improve academic and social outcomes at George Middle School.

Ninth Grade Transition

8

Years of demonstrated progress keeping more ninth-graders on track to graduate through the Ninth Grade Counts network of summer bridge programs.

96%

Of Ninth Grade Counts students earn credit towards graduation for completing the summer transition program.

Post-Secondary Access

15
POINT

Increase in the countywide completion rate of key federal financial aid forms (FAFSA) in one year's time, helping more students access money for college and career training.

21
POINT

Increase in FAFSA completion rates at Gresham High School. Our eight partner high schools all showed improvement in 2017 over 2016 by implementing a common set of proven practices.

EMERGING WORK AREA Post-Secondary Completion

ONLY
37%

Of local high school graduates complete a post-secondary degree or certificate.

EMERGING
WORK
AREA

All Hands Raised is assembling community college, university and nonprofit partners to take an honest look at student success rates and build collective solutions.

Pathways to Construction & Manufacturing

150
