Juntos Aprendemos

2012-13 Program Outcomes

- 98% of children increase their ability to recognize written letters
- 100% of children demonstrate improved ability to listen attentively, participate in discussions and focus on assigned activities
- 100% of parents reported engaging in more educational activities with their children as a result of the program

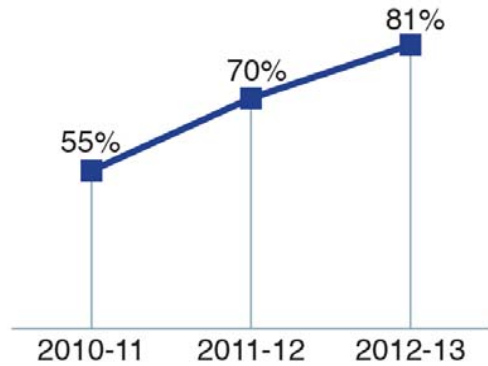

A new partnership at Shaver Elementary

Launch this fall doubled the number of parents typically enrolling – why?

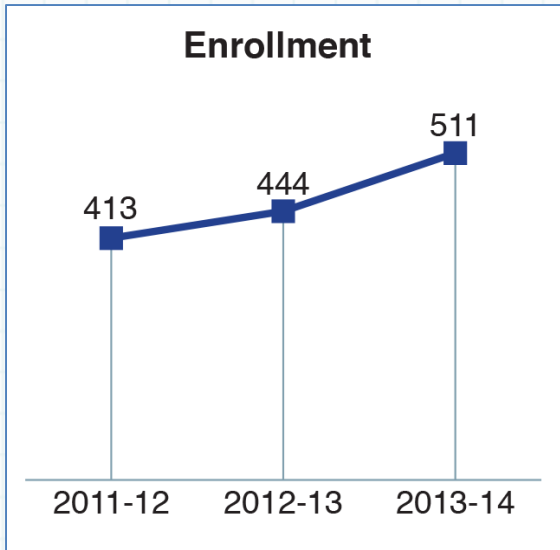

- Clear community need and demand for services
- A strong and committed principal
- Welcoming staff in the office

Jefferson Middle College Data

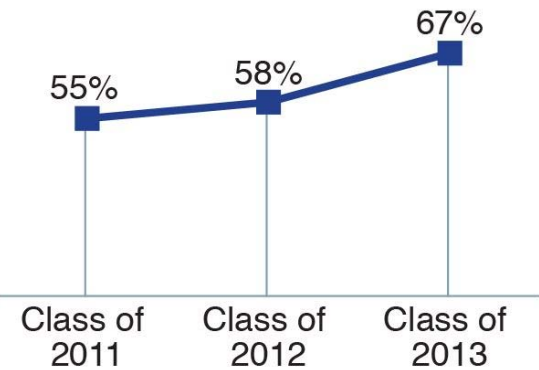

Achievement: % of Ninth Graders on Track to Graduate

Enrollment

Graduation: On-Time Graduation Rate
